

TAIWAN WIRELESS & MOBILITY CONFERENCE

NOVEMBER 8, 2016

Shangri-La's Far Eastern Plaza Hotel

Taipei, Taiwan

Agenda

<p>10:30am-10:35am</p>	<p>Opening Remarks</p> <p style="text-align: center;">Rupert Hammond-Chambers President US-Taiwan Business Council</p>
<p>10:35am-12:00pm</p>	<p>Session I: Understanding Trends & Seizing Opportunities - the Wireless Communications Industry in Taiwan</p> <p>Moderator: Bill Wiseman, Senior Partner, McKinsey & Company, Inc. Speakers: Vincent Lin, Assistant Vice President, Mobile Business Group, Chunghwa Telecom Co., Ltd. Christopher Neumeyer, Special Counsel, Duane Morris Selvam LLP TY Yin, Chief Financial Officer, Far EasTone Telecommunications Co., Ltd.</p> <p>Topic: Taiwan is a leading wireless and broadband market, with 65% of the population using mobile 4G connections to the internet and with average monthly mobile data usage among the highest in the world. The Taiwan government and Taiwan industry are looking for ways to bolster wireless network capacity and optimize network performance, in order to offer the scalability necessary to accommodate the billions of connected devices in the age of the Internet of Things (IoT) and with the island's push towards smart cities, smart manufacturing, and intelligent transport systems. This session will look at current wireless trends in Taiwan, including how Taiwan hopes to lead the way in full deployment of 5G and other wireless technologies, provide an outlook on the growth of the industry, as well as discuss opportunities for U.S. and Taiwan companies to cooperate.</p>
<p>12:00pm-1:45pm</p>	<p>Luncheon with "Fireside Chat"</p> <p style="text-align: center;">Dr. Paul Jacobs Executive Chairman Qualcomm, Inc.</p> <p style="text-align: center;">Peter Chou Chairman Digital Domain Holdings, Ltd.</p>

<p>2:00pm-3:30pm</p>	<p>Session II: Wireless Technology in Support of Social Infrastructure</p> <p>Moderator: Revital S. Golan, Managing Director, Anemone Ventures, Ltd.</p> <p>Speakers: Jeffrey Horwitz, Chief, Economic Section, American Institute in Taiwan (AIT) Vincent Shih, Assistant General Counsel, GM Corporate, External and Legal Affairs, Microsoft Taiwan Corp. Marcus Woo, Vice President & General Counsel, HTC Corporation</p> <p>Topic: Building on the discussion in the previous session, speakers will examine ways that wireless networks can provide a cornerstone for innovation and entrepreneurship in Taiwan. We will also examine how new technologies, growing wireless capabilities, and the expansion of the mobile internet in Taiwan has become a tool to connect people and businesses with each other, and how mobile and wireless applications can play an important role in the future of Taiwan's interconnected society.</p>
<p>3:30pm – 4:30pm</p>	<p>Keynote Address</p> <p style="text-align: center;">Ming-Hsin Kung Deputy Minister National Development Council</p>
